The UKAT Toolkit is a collaborative
project with six Kentucky county
public school districts:

Anderson, Bourbon, Clark,
Fayette, Scott, Woodford

This project was supported, in part, by the University of Kentucky and Grant #s H80U50025 and H327A990040 Examination of the Effectiveness of a Functional Approach to the Delivery of Assistive Technology Services in Schools: Phases I and II from the Division of Research to Practice, Office of Special Education Programs. The contents do not necessarily reflect the views or policies of the U. S. Department of Education, nor does the mention of trade names, products, or organizations imply endorsement by the U. S. Government.

Copies of the UKAT Toolkit are available in electronic format (CD) from:
